NOC

To be used for critical network operations requests and emergencies relating to us

DO NOT use this contact information for anything other than network emergencies

email - noc@7strawby.net

phone - +1(617)-657-1388

Peering

For requests relating to, or information about peering with our network

We do not peer via tunnel or non-real link, and we require dual stack sessions, with the exception of IPv6 only networks, which can peer with only v6. v4 only peerings are not accepted.

email - peering@7strawby.net

Routing

For routing policy information, or issues relating to our announcements and routing policy

email - routing@7strawby.net

Abuse

For all issues relating to network abuse, problems with data coming from our network or otherwise

email - abuse@7strawby.net

General Questions

For everything else not specified in other contact forms, or just questions about us
